Bonnie,

This confirms our telephone conversation this afternoon during which we agreed that my client, Trimac Transportation East Inc., the successor in interest to Trimac Transportation, Inc., has an extension through and including March 17, 2014 within which to respond to the CERCLA Section 104(e)(2) Request for Information from Nicoletta DiForte, EPA Senior Enforcement Policy Advisor in Region II, dated January 9, 2014 in the above-referenced matter.

We very much appreciate your understanding and assistance in this matter.

Best regards,
Patrick
